

STALKER?

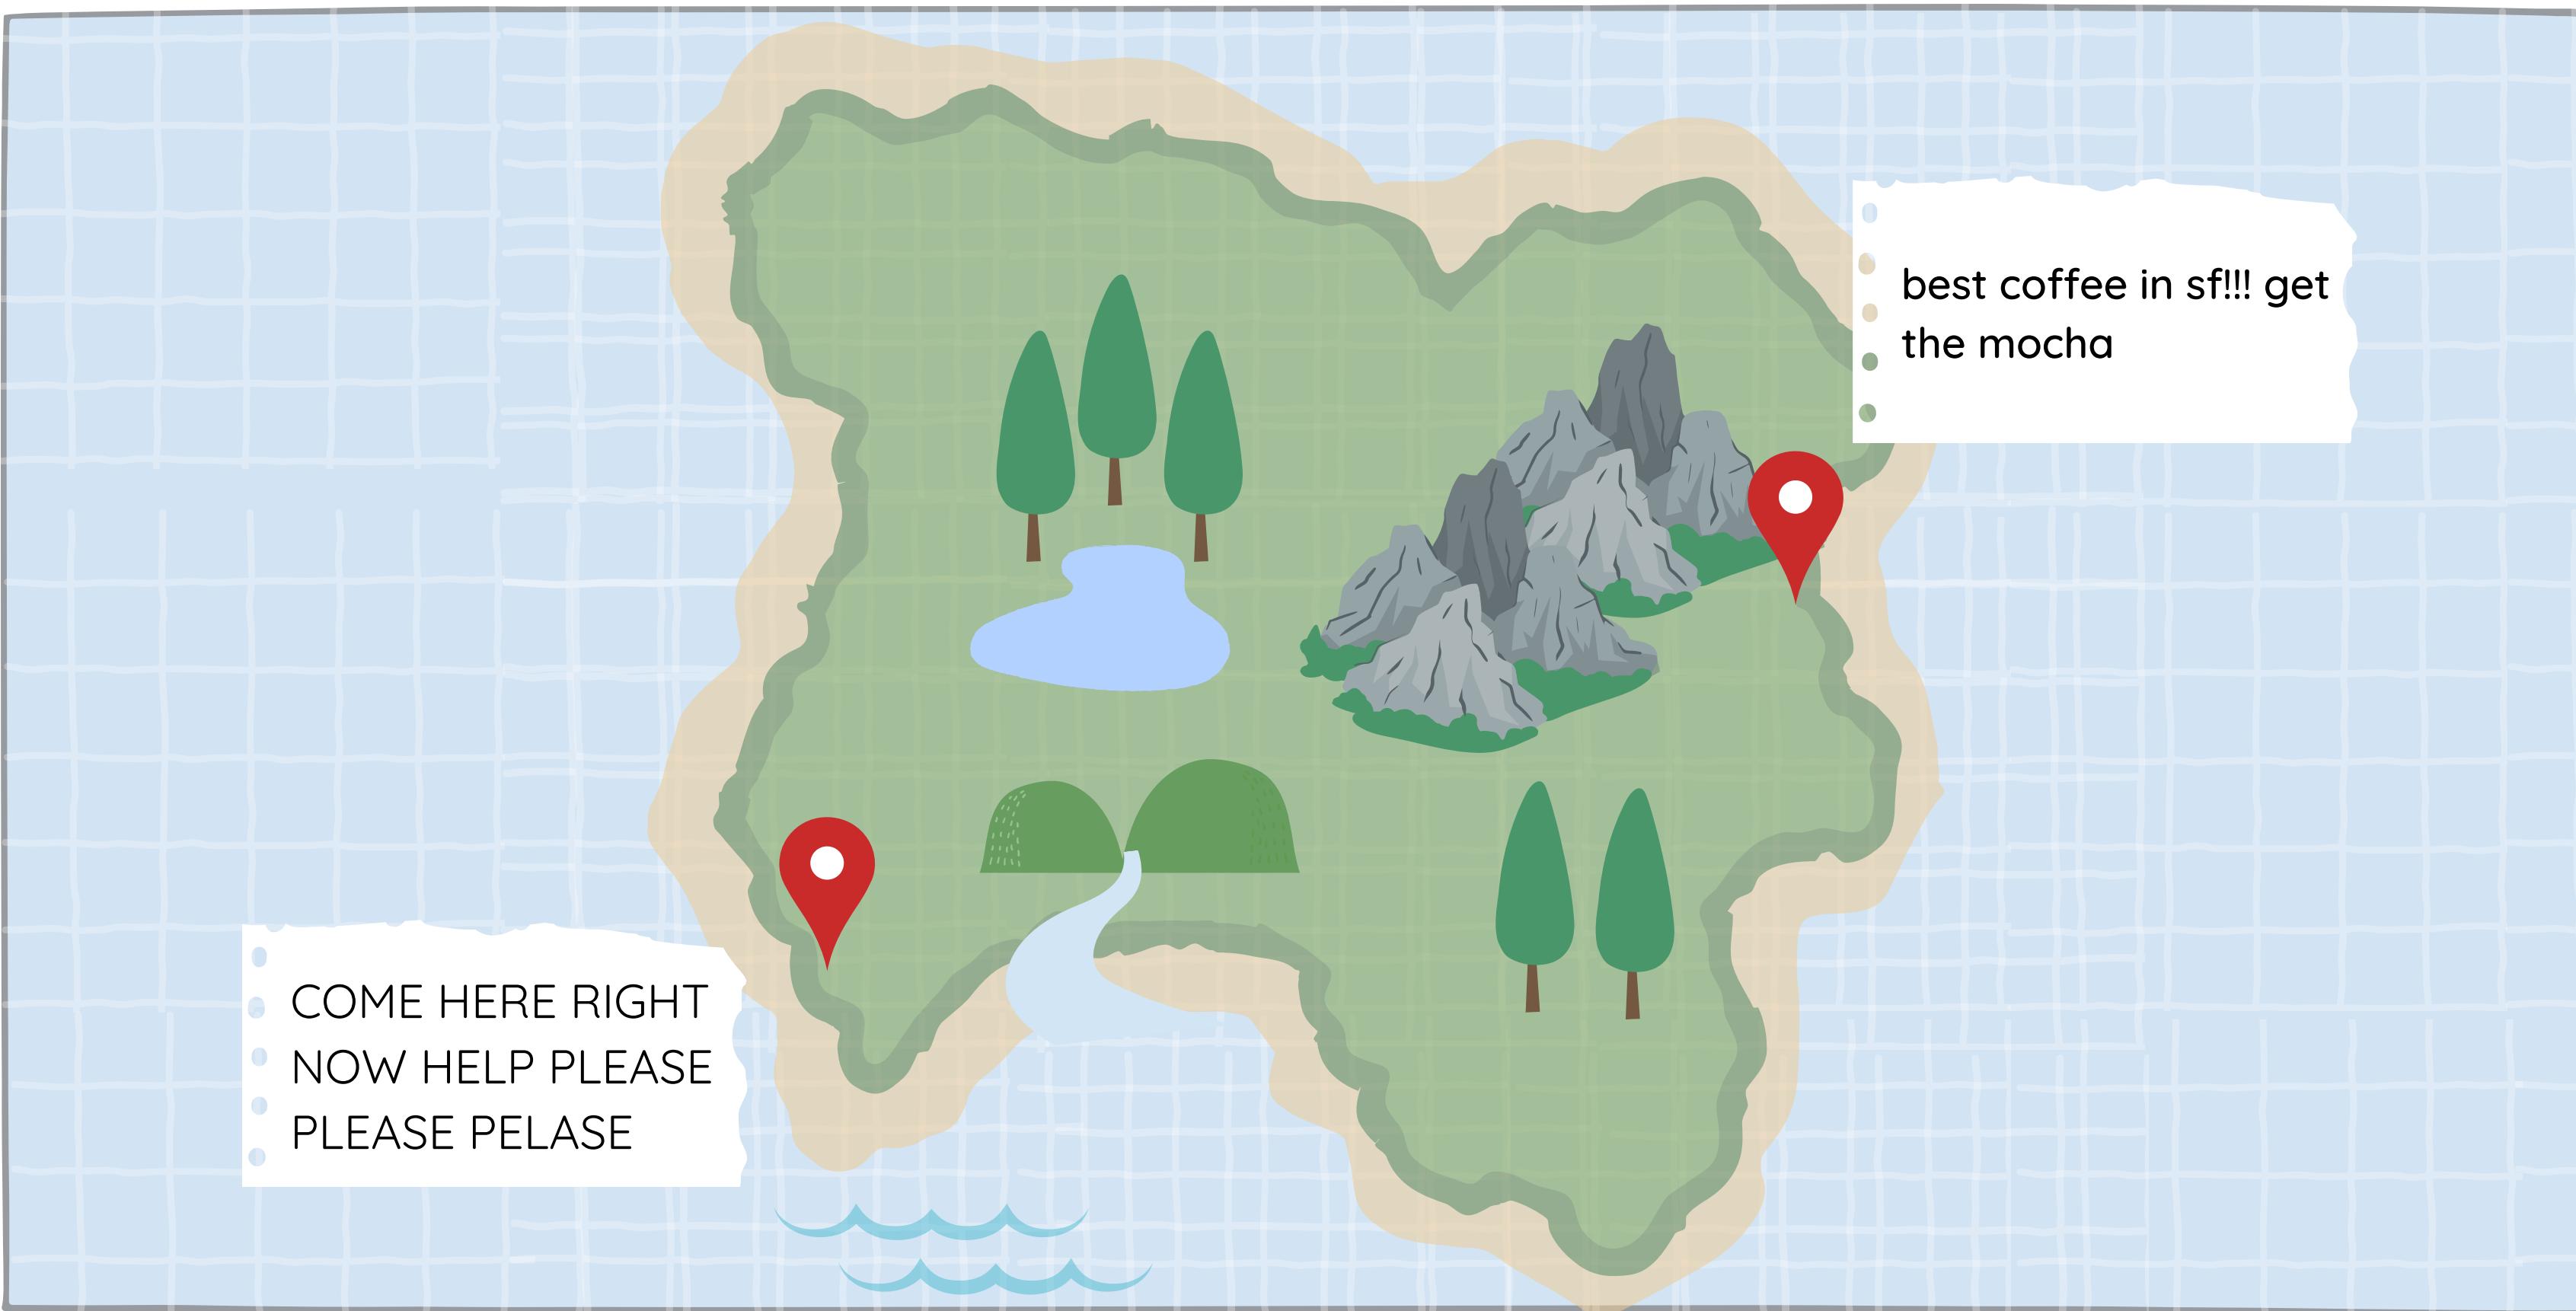

I BARELY

KNOW HER!

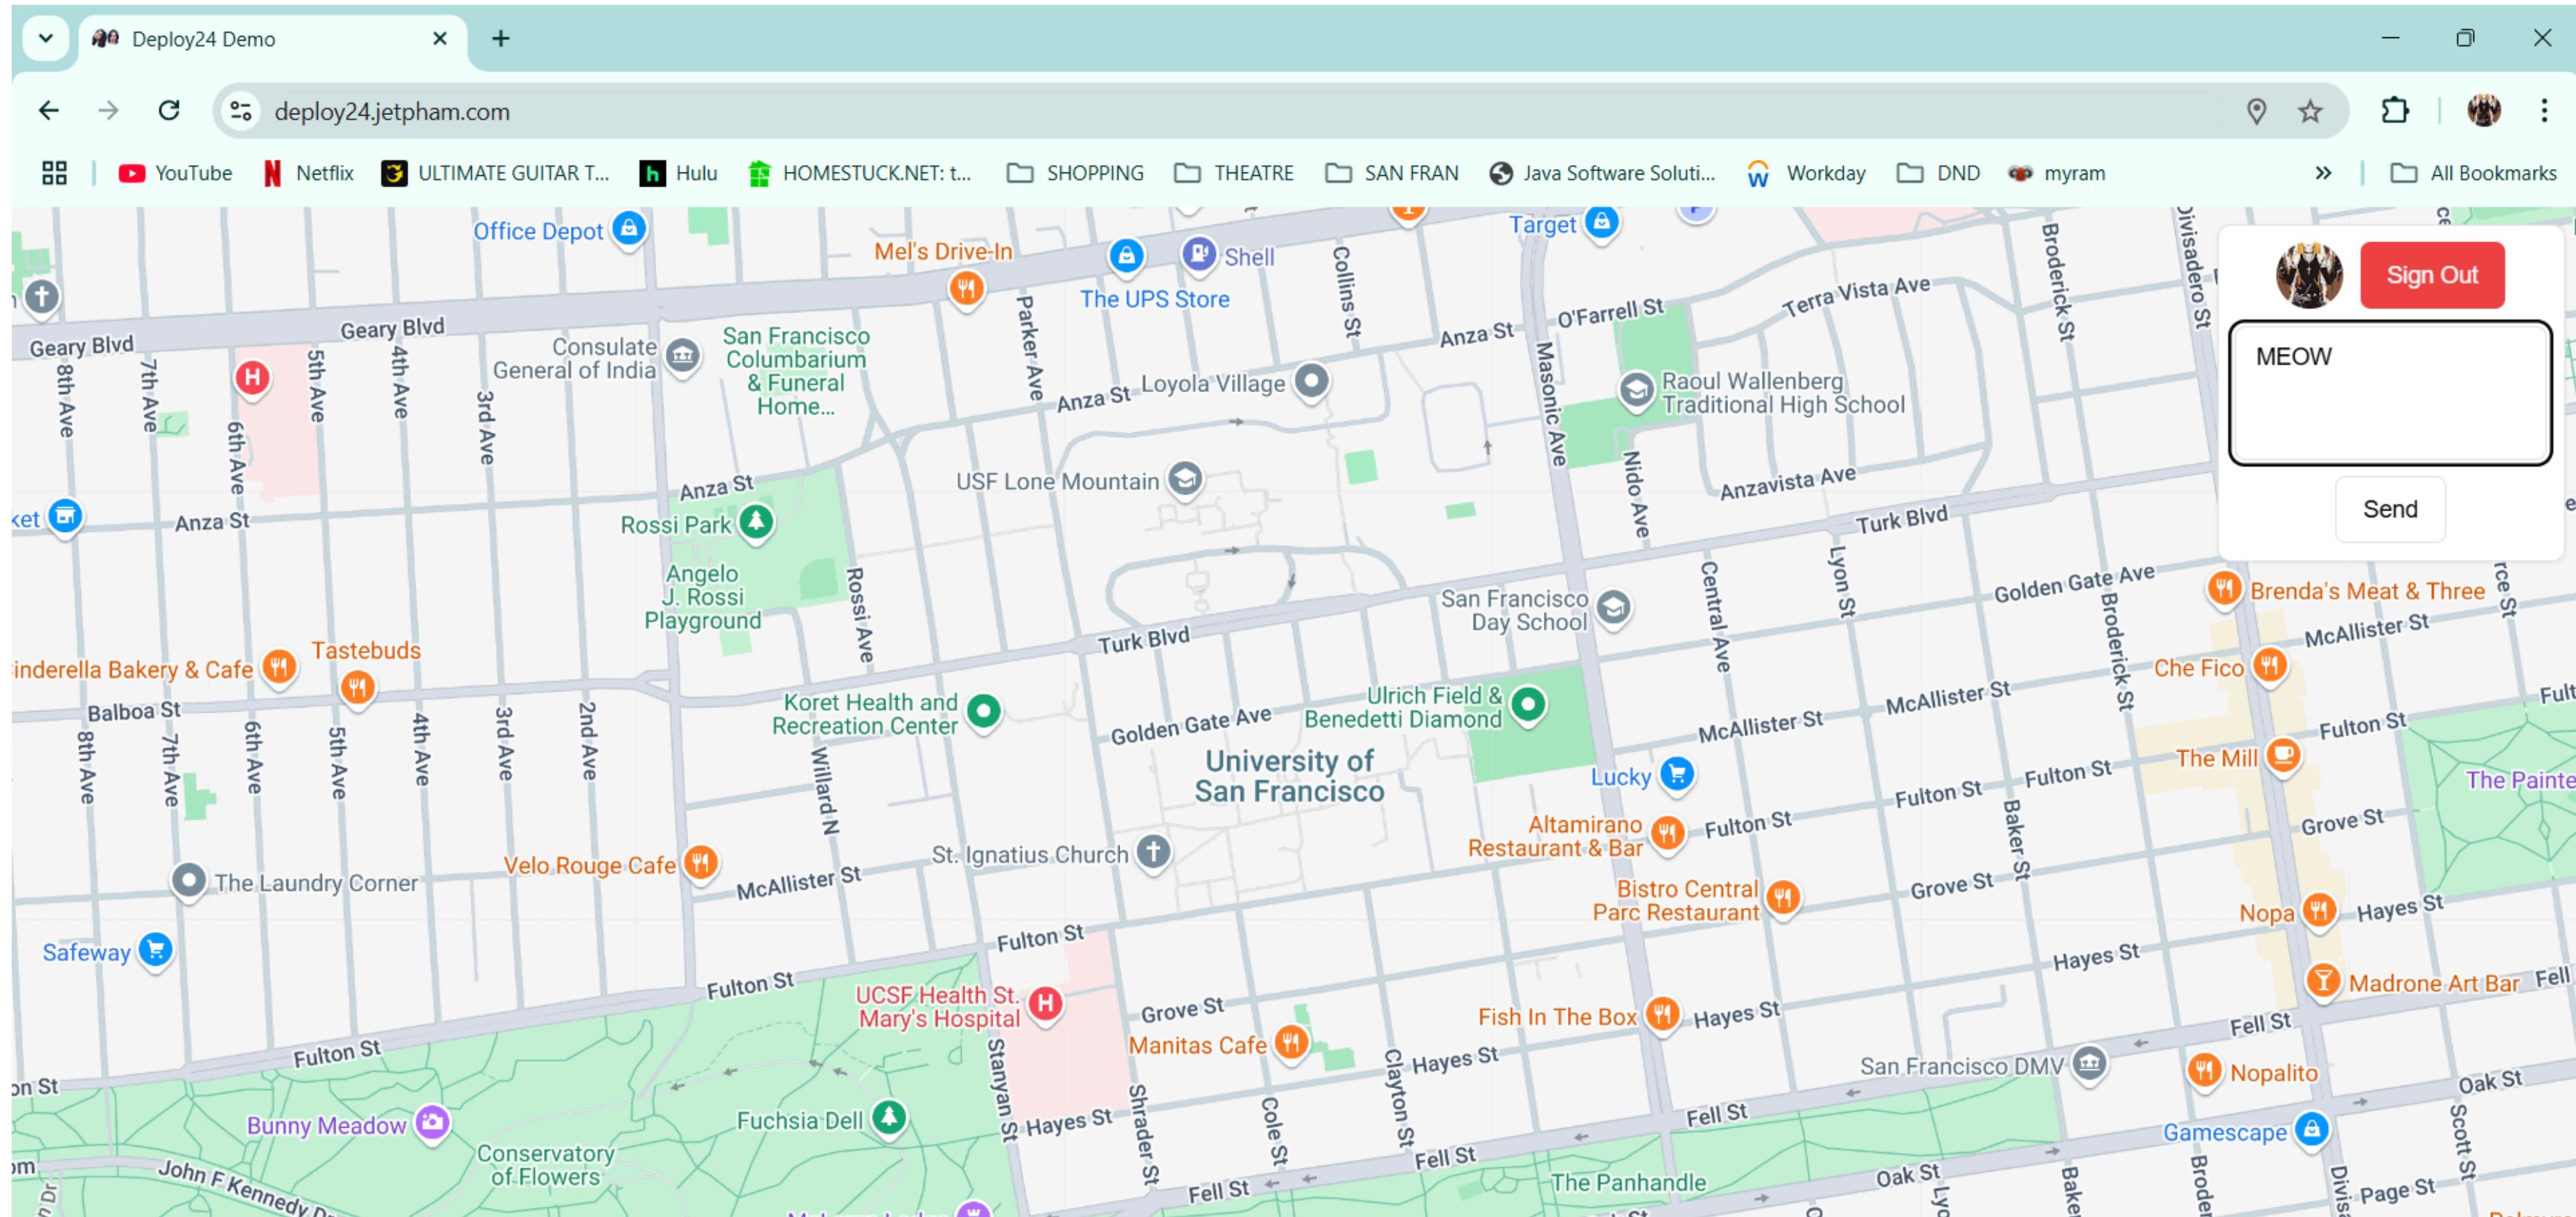

WHAT IS IT?

“Stalker? I Barely Know Her!” (SIBK) is an interactive map that lets you put custom pins at your location. You can also see pins that other people have placed. We aim to foster a sense of community and comradery by allowing users to share moments from thier lives.

- COME HERE RIGHT
- NOW HELP PLEASE
- PLEASE PELASE

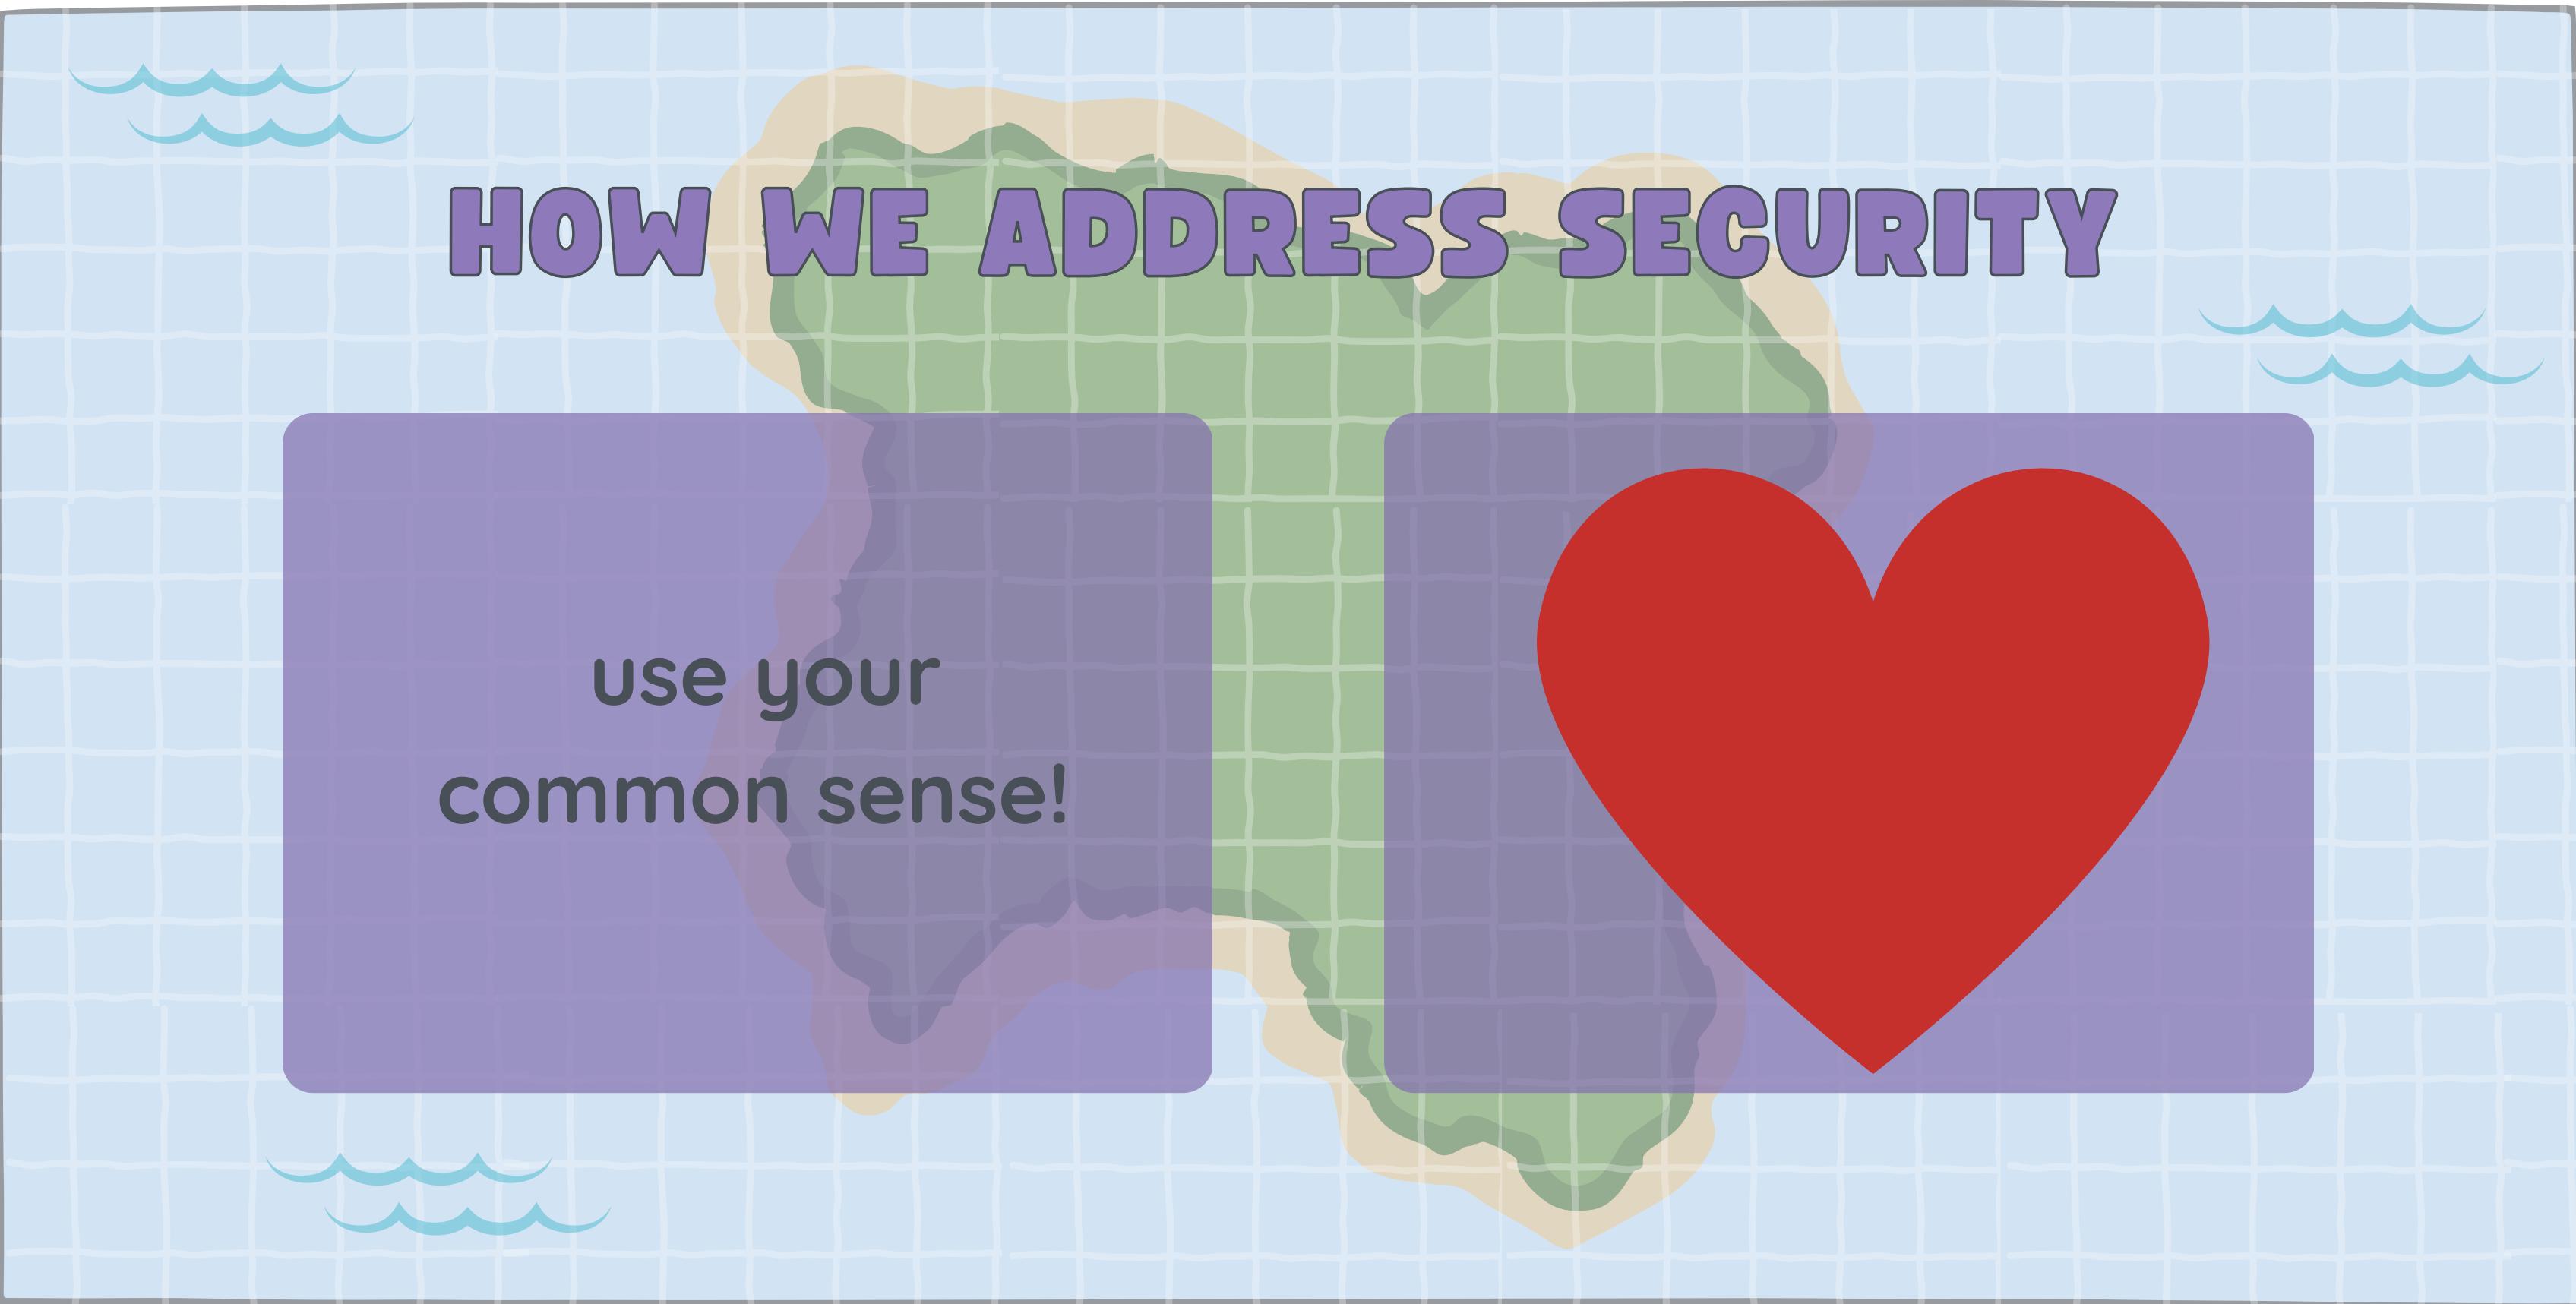

- best coffee in sf!!! get
- the mocha
-

SOME SECURITY RISKS

sharing your
location with the
entire platform
is not very
smart!

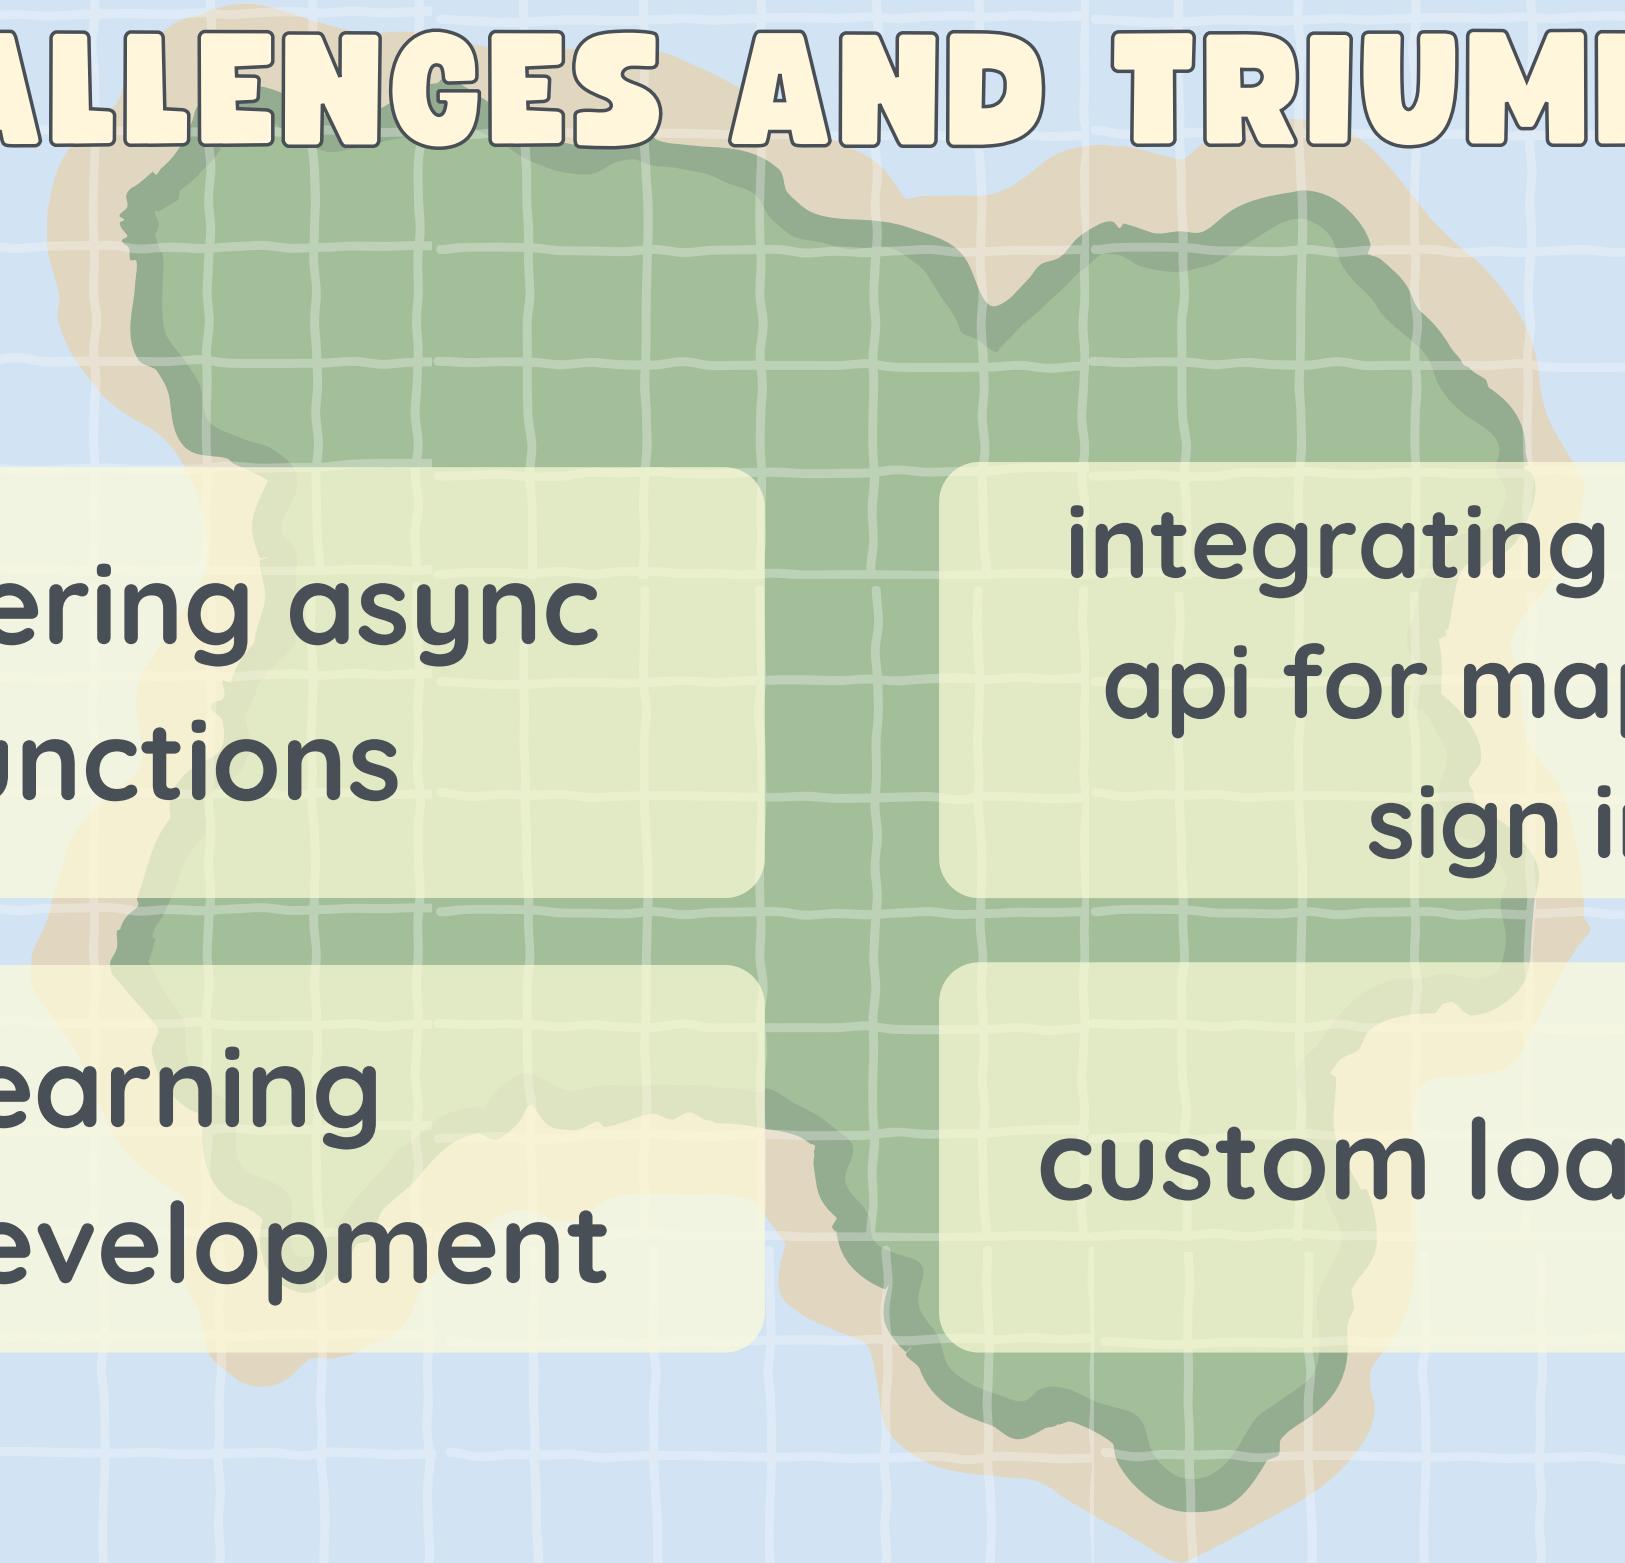

HOW WE ADDRESS SECURITY

use your
common sense!

CHALLENGES AND TRIUMPHS

mastering async
functions

learning
webdevelopment

integrating google
api for maps and
sign in
